

# Emergency Alert Siren System

## (Lockdown, Evacuate, All Clear Alarm)

This facility is protected by an Emergency Lockdown Alert Siren System. All students, staff and visitors must be familiar with the following warning sounds.

### 1. Repeated Short Blasts of a Fast Rising Sound

Your Lockdown Safe Zone is:

#### **LOCKDOWN - GO TO DESIGNATED SAFE ZONE**

- Stop what you are doing and move to the closest safe zone.
- The siren may sound continuously or it may stop sounding after a few minutes, you must stay in the safe zone until the "All Clear" is given to you by your Safety Warden or Teacher.

### 2. Continuous Slow Rising Sound

Your Emergency Assembly Area is:

#### **EVACUATE - GO TO DESIGNATED EVACUATION AREA**

- Stop what you are doing and move to your assembly point in an orderly manner.
- Remain there until you are given the "All Clear" by your Safety Warden or Teacher.

### 3. Air Horn Sound

#### **ALL CLEAR - WAIT FOR INSTRUCTIONS FROM SAFETY WARDEN OR TEACHER**

Your Safety Warden is:

- The Danger has passed. Wait for instructions from your Safety Warden.
- Remain in your location until you are given the "All Clear" by your Safety Warden or Teacher.
